APPEAL

To Whom It May Concern:

In regard to Frn# 622987, it was inadvertently assumed that the 486 were approved along with Frn numbers: 624202, 624488, 624637, & 624904. Once we ascertained 486 for Frn# 622987 was not approved, we assisted the school district in submitting the 486 in the correct fashion.

Each of the Frn's was submitted on 471 Application Number 248425 and is a part of a District Project.

Although it appears that work was done prior to approval and the result was the "zeroing out" of the Frn by USAC (Customer Service Bureau), all work was done in good faith and has been completed and approved.

Finally, it would be a financial hardship for the Chama Valley Independent School District to pay for the work performed in relation to Frn# 622987. The Denial for payment was a result of a clerical error during the 486 processes. We hope that this appeal will be granted.

In the future we will ensure that all Frn's for a project are approved, prior to any work being preformed on a Frn basis or not.

Attached you will find all supporting documents for our Funding Commitment to this particular Frn:

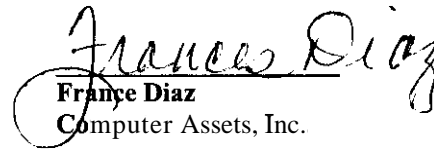

1. Letter of appeal being denied dated January 21, 2003

File of Correspondence 0
Liaison

2. Copy of funding commitment report, with all Frn's approved for funding dated **9/4/01**.
3. Copy of **471** Acknowledgement Letter dated February **27,2001**
4. Copy of Form **486-2nd** filed dated **6/10/02**
5. Form **486** Notification letter dated **9/9/02**
6. Service Certification Form from SLD to Chama Schools stating all services were completed, for Frn in question
7. Copy of remittance notice dated **8/20/02,10/1/02 & 12/24/02**

If I can be of further assistance or answer any questions that may help resolve this matter promptly, please contact me.

Re: Billed Entry Number: 143285
471 Application Number: 248425
Funding Request Number(s): 622987
Your Correspondence Received: October 15, 2002

After thorough review and investigation of all relevant facts, the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company ("USAC") has made its decision in regard to your appeal of SLD's Year Four Funding Commitment Decision for the Application Number indicated above. This letter explains the basis of SLD's decision. The date of this letter begins the 60-day time period for appealing this decision to the Federal Communications Commission ("FCC"). If your letter of appeal included more than one Application Number, please note that for each application for which an appeal is submitted, a separate letter is sent.

Funding Request Number: 622987
Decision on Appeal: Denied in Full
Explanation:

- In your letter of appeal you claim the original FCC Form 486 was submitted prior to June 10, 2002. After a thorough review of our records the only FCC Form 486 you submitted has a postmark date of 8/26/02.
- Program rules are clear that if the date of the Funding Commitment Decision Letter was on or before 10/28/01 and the Service Start Date (SSD) reported on the Form 486 was on or before 10/28/01, the Form 486 must have been received or postmarked on or before 10/28/01. The penalty for missing the deadline is to reset the SSD to the FCC Form 486 postmark date. In this case, the FCID assurance date was 9/4/01 and the Service Start Date on the Form 486 was 7/1/01, but the postmark date of the Form 486 was 8/26/02. Since the Form 486 was postmarked after 10/28/01, the SLD has revised the Service Start Date to the Form 486 postmark date of 8/26/02 and reduced their funding commitment amount based on the revised Service Start Date.

- It is the responsibility of the applicant to fill out all forms correctly and submit them on time.
- FCC rules provide that in Funding Year 2001, the FCC Form 486 must be postmarked no later than October 28, 2001 and that for subsequent funding years, the FCC Form 486 certifications must be provided to the Administrator in accordance with existing program guidelines established by the Administrator. See 47 C.F.R. § 54.520(g). Existing program guidelines are explained in the Funding Commitment Decision letter. Your Funding Year 4 Funding Commitment Decision letter notified you that "[I]f your services start after October 28, 2001, your Form 486 must be postmarked no later than 120 days after the Service Start Date or 120 days after the date of the Funding Commitment Decision Letter, whichever is later, in order for discounts to be paid retroactively to the Service Start Date. Failure to meet this filing deadline will result in reduced funding." See Funding Commitment Decision Letter (Funding Year 4: 07/01/2001 – 06/30/2002), page 2. Since your FCC Form 486 was postmarked more than 120 days after the Service Start Date you indicated on your FCC Form 486, SLD has reduced your funding.

If you believe there is a basis for further examination of your application, you may file an appeal with the Federal Communications Commission (FCC) via United States Postal Service: FCC, Office of the Secretary, 445-12th Street SW, Washington, DC 20554. If you are submitting your appeal to the FCC by other than United States Postal Service, check the SLD web site for more information. Please reference CC Docket Nos. 96-45 and 97-21 on the first page of your appeal. **The FCC must RECEIVE your appeal WITHIN 60 DAYS OF THE ABOVE DATE ON THIS LETTER for your appeal to be filed in a timely fashion.** Further information and new options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD web site, www.sl.universalservice.org.

We thank you for your continued support, patience, and cooperation during the appeal process.

Re: Service Provider Name: Computer Assets, Inc.
Service Provider Identification Number: 143020100

Thank you for participating in the E-rate program for Funding Year 4 (07/01/2001 - 06/30/2002). This letter is your notification of our decision(s) regarding applications that listed your company's Service Provider Identification Number (SPIN) as providing service(s) eligible for discounts.

As was the case in previous program years, there are a number of steps that need to be completed in order to implement E-rate discounts. In an effort to expedite the process of implementing discounts, we are providing detailed information regarding the status of your customers' requests for discounts in the form of a series of Funding Commitment Reports. Attached are reports of our decisions made for customers listing your SPIN in their Form 471 applications. Each report contains detailed information extracted from the Applicant's Form 471, as well as an explanation of our decision regarding their Discount Funding Request.

NEXT STEPS

Once you've reviewed this letter, we urge you to contact your customers to begin any necessary arrangements regarding start of services, billing of discounts or any other administrative details for implementation of E-rate services. As a reminder, only services delivered in accordance with Federal Communications Commission (FCC) rules on service delivery periods are eligible for these discounts. Applicants have been encouraged to contact you regarding their E-rate commitments. After Applicants have received their Funding Commitment Decision Letter, they will be required to file FCC Form 486, "Receipt of Service Confirmation Form." We will send you a Form 486 Notification Letter when we receive a Form 486 from Applicants who cite your SPIN, and will also provide guidance on how to invoice the Schools and Libraries Division (SLD) for reimbursement of discounts for services listed in the respective Form 486. There is a new Form 486, dated July 2001 in the lower right corner, that **MUST** be used for Funding Year 4 and for any previous funding years once it becomes available. Subsequent submissions of earlier versions of the Form 486 will be returned to the Applicant and will not be able to be processed.

On December 21, 2000, the Children's Internet Protection Act was signed into law, and applicants will be required to use the Form 486 to certify their compliance status. Because of this new feature on the Form 486, you should carefully review the Form 486 Notification Letter(s) you receive to make sure no changes have occurred since this Funding Commitment Decision Letter. In order to receive discounts for Internet access and internal connections services under the universal service support mechanism, school and library authorities must certify that they are enforcing a policy of Internet safety that includes measures to block or filter Internet access for both minors and adults to certain visual depictions. For Funding Year 4, recipients are not required to have the policies and technology measure in place; they may certify that they are undertaking necessary actions to put them in place for the following year.

Any appeal of the funding decisions detailed in a Funding Commitment Decision Letter must be received within 30 days of the date on the Funding Commitment Decision Letter. (Information on the appeal process can be found in the "How to Apply, Step-by-Step" area of the SLD web site, www.sl.universalservice.org) Therefore, prompt communication with your customer is essential.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the universal service mechanisms for schools and libraries. FCC Form 471 Applicants who have received funding commitments continue to be subject to audits and other reviews that SLD or the Federal Communications Commission may undertake periodically to assure that funds have been committed and are being used in accordance with all such requirements. If the SLD subsequently determines that its commitment was erroneously issued due to action or inaction, including but not limited to that by SLD, the Applicant, or Service Provider, and that the action or inaction was not in accordance with such requirements, SLD may be required to cancel those funding commitments and seek repayment of any funds disbursed not in accordance with such requirements. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect erroneously disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

Thank you for the work you are doing to connect our schools and libraries through advanced telecommunications services.

Sincerely,

Schools and Libraries Division
Universal Service Administrative Company

A GUIDE TO THE FUNDING COMMITMENT REPORT

Attached to this letter will be a report for each E-rate funding request featuring your SPIN. We are providing the following definitions.

FUNDING REQUEST NUMBER (FRN): A Funding Request Number is assigned by the SLD to each Block 5 of the Applicant's Form 471 once an application has been processed. This number is used to report to Applicants and Service Providers the status of individual discount funding requests submitted on a Form 471.

FORM 471 APPLICATION NUMBER: A unique identifier assigned to a Form 471 application by the SLD (from Item 3b of the Form 471).

FORM 470 APPLICATION NUMBER: A unique identifier assigned by the SLD to a Form 470 as listed in Block 5, Item 12 of the Form 471.

NAME OF 471 APPLICANT: Name of entity that applied to the SLD, from Item 1 of the Form 471.

ADDRESS OF 471 APPLICANT: Address of entity that applied to the SLD from Item 1 of the Form 471. Includes street address and state, city and zip code.

ENTITY NUMBER: A unique identifier assigned by the SLD for the Applicant.

NAME OF CONTACT PERSON: The name of the contact person from Block 1, Item 6 of the Form 471.

PREFERRED MODE OF CONTACT: i.e., telephone, fax, E-mail or standard mail.

CONTACT INFORMATION: i.e., telephone number, fax number, E-mail address, or mailing address based on preferred mode of contact.

FUNDING YEAR: The funding year for which discounts have been requested.

FUNDING STATUS: Each FRN will have one of three definitions: "Funded," "Not Funded," or "As Yet Unfunded." This service provider notification will not include FRNs in the "As Yet Unfunded" status.

1. An FRN that is "Funded" will be approved at the level that SLD determined is appropriate for that item. The funding level will generally be the level requested unless the SLD determines during the application review process that some adjustment is appropriate.
2. An FRN that is "Not Funded" is one for which no funds will be committed. The reason for the decision will be briefly explained in the "Funding Commitment Decision," and amplification of that explanation may be offered in the section, "Funding Commitment Decision Explanation." An FRN may be "Not Funded" because the request does not comply with program rules or because the total amount of funds in the Universal Service Fund was insufficient to fund all requests.
3. An FRN that is "As Yet Unfunded" in an Applicant's Funding Commitment Decision Letter reflects a temporary status that is assigned to an FRN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for internal connections at a particular discount level. For example, if the application included requests for discounts on both telecommunications services and internal connections, the applicant might receive a letter with a funding commitment for their telecommunications funding requests and a message that their internal connections requests are "As Yet Unfunded." The funding decision on those internal connections requests will be included in a subsequent Funding Commitment Decision Letter.

CONTRACT NUMBER: The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on Form 471.

SERVICES ORDERED: The type of service ordered from the service provider, as shown on Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a will be listed. This will appear only for "site specific" FRNs.

BILLING ACCOUNT NUMBER: The account number that you have established with your customer for billing purposes. This will be present only if a Billing Account Number was provided on Form 471.

ALLOWABLE VENDOR SELECTION / CONTRACT DATE: The earliest date the Applicant was permitted to sign a contract for services after posting a Form 470.

CONTRACT AWARD DATE: The date that the contract for this service was awarded.

EARLIEST POSSIBLE EFFECTIVE DATE OF DISCOUNT: The first possible date of service for which the SLD will reimburse service providers for the discounts for the service.

CONTRACT EXPIRATION DATE: The date the contract expires. This will be present only if a contract expiration date was provided on Form 471.

TOTAL ESTIMATED MONTHLY RECURRING CHARGES: Estimate of the total monthly charges for the recurring service.

PORTION OF TOTAL ESTIMATED MONTHLY RECURRING CHARGES THAT IS INELIGIBLE: Total charges associated with ANY ineligible services, entities, or uses included in the Total Estimated Monthly Charges for this service.

ELIGIBLE MONTHLY PRE-DISCOUNT AMOUNT FOR RECURRING CHARGES: Total Estimated Monthly Recurring Charges less the Portion of Total Estimated Monthly Recurring Charges that is Ineligible. The total amount of eligible charges approved under program.

NUMBER OF MONTHS RECURRING, SERVICE PROVIDED IN PROGRAM YEAR: Number of months the service will be provided in the funding year.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE RECURRING SERVICES: Eligible Monthly Pre-Discout Amount for Recurring Charges multiplied by Number of Months Recurring Service Provided in the funding year.

ANNUAL NON-RECURRING CHARGES: Estimate of the total amount of non-recurring (one time) pre-discount charges for this service.

PORTION OF ANNUAL NON-RECURRING CHARGES THAT IS INELIGIBLE: Total cost associated with ANY ineligible services, entities, or uses included in the Annual Non-Recurring Charges.

ANNUAL ELIGIBLE PRE-DISCOUNT AMOUNT FOR NON-RECURRING CHARGES: Annual Non-Recurring Charges less the Portion of Annual Non-Recurring Charges that is Ineligible. The total amount of eligible non-recurring charges requested under program.

TOTAL PROGRAM YEAR PRE-DISCOUNT AMOUNT: The total eligible recurring and non-recurring charges under the program for the funding year.

DISCOUNT PERCENTAGE APPROVED BY THE SLD: This is the discount rate that the SLD has approved for this service.

FUNDING COMMITMENT DECISION: This represents the total amount of funding that the SLD has reserved to reimburse service providers for the approved discounts for this service through the pertinent funding year service delivery date. It is important that you and the Form 471 Applicant both recognize that the SLD should be invoiced and the SLD may direct disbursement of discounts only for eligible, approved services actually delivered and installed.

FUNDING COMMITMENT DECISION EXPLANATION: This entry may amplify the comment in the "Funding Commitment Decision" area.

TECHNOLOGY PLAN APPROVAL STATUS: This indicates whether the technology plans of the entities included in the Form 471 application have received approval, are pending, or are not needed. Consortium applications may feature both "approved" and "pending approval" status. This is from Block 6, Item 27 of the Form 471 application.

WAVE NUMBER: The number of the grouped mailing in which the Applicant's Funding Commitment Decision Letter was included.

APPLICANT LETTER DATE: The date on the Applicant's Funding Commitment Decision Letter.

Re: SPIN = 143020100
Funding Year 4: 07/01/2001 - 06/30/2002

NOTICE: This notification is an acknowledgment of RECEIPT and SUCCESSFUL DATA ENTRY of Form 471 applications containing Funding Requests which list your Service Provider Identification Number (SPIN) 143020100.

This letter does NOT contain any decisions concerning applicants' requests for discounts.

Your school or library customers, as noted herein, have applied for Universal Service support for their advanced telecommunications needs. The total amount of the pre-discount costs for the Funding Requests contained in this letter is \$577,977.20. You may receive additional letters reporting Funding Requests received by the Schools and Libraries Division (SLD) in other Form 471 applications.

Please keep this letter for your records. The Form 471 Application Number and Funding Request Numbers are critical for you to link this communication with future SLD communications.

The Funding Request Numbers (FRNs) listed in this Acknowledgment Letter are included within the application filing window wherein all applications which pass the Minimum Processing Standards are treated as though they were received on the same day. SLD's Program Integrity Assurance (PIA) Team will now review these applications for compliance with program rules. In addition, we have received the Certifications for the Forms 471 which cite your Service Provider Identification Number and have entered these certifications into our processing system. Once the review of the Form 471 applications has been completed, you will receive Funding Commitment Decision Letters that inform you of the disposition of the Funding Requests which cite your SPIN. Until you receive Funding Commitment Decision Letters from the SLD, you cannot assume that applicants will receive the discounts for which they are applying.
